

Meredith Martin Workshop Scholarship

In memory of Meredith Martin, deceased in 2013, the Miami Valley Folk Dancers (MVFD) offers a 50-dollar scholarship for admission to an MVFD folk dance workshop to a person under 25 years of age. The applicant must provide name, address, proof of age and prior participation in folk dancing to be eligible. The workshop director's selection of the winning applicant, in case of multiple applicants, will depend on his or her perception of the applicants' depth of interest in folk dancing and their possible financial need. The scholarship recipient will also be introduced during the workshop.

Meredith was a very energetic, fervent, and cheerful dancer, whose enthusiasm was contagious. She was a great asset to our group. Meredith was 21.
